

## North Hoyle Offshore Wind Farm Competition winners

In 2003, National Wind Power ran a competition for local primary school children to draw a picture of the North Hoyle Offshore Wind Farm - the prize for 27 lucky winners was to each have a wind turbine at North Hoyle named after them for the life of the wind farm. The remaining 3 turbines were named by children responding to a competition run by the Welsh children's programme Uned 5. Consequently, each turbine at North Hoyle is named after a winner!

## Fferm Wynt y Môr Gogledd Hoyle Enillwyr y gystadleuaeth

Yn 2003, cynhaliodd Pŵer Gwynt Cenedlaethol gystadleuaeth i blant ysgol gynradd i wneud llun o Fferm Wyn y Môr Gogledd Hoyle – y wobwr ar gyfer 27 o enillwyr lwcus oedd cael tyrbin gwynt yng Ngogledd Hoyle wedi'i enwi ar eu hôl, dros oes y fferm wynt. Byddai'r 3 tyrbin fyddai ar ôl yn cael eu henwi gan blant a oedd yn ymateb i gystadleuaeth ar raglen plant Cymraeg Uned 5. Felly, mae bob tyrbin yng Ngogledd Hoyle wedi'i enwi ar ôl enillydd!
